NOTICE: URGENT CLOSURE OF CHINTSA MUNICIPAL OFFICES

Kindly be informed that Great Kei Local Municipality has encountered a positive case for COVID-19 at the Chintsa Offices. The municipality has in terms of the COVID-19 Plan resolved to close the municipal offices in **Chintsa from the 13th of July to the 15th July 2020**. The municipality has requested its employees at the above mentioned office to work from home during the mentioned closure.

Great Kei Municipality is compelled to comply with the Disaster Management Act regulations and precautionary measures that have been issued by the Department of Health we will thus observe their prescriptions in the face of the encountered case in order to prevent the spread of the virus.

We commit to fight against this pandemic and implore our communities and stakeholders to abide by Covid - 19 precautionary measures. Thousands have recovered from the virus we therefore encourage those that might test positive not to be despondent but rather comply with guidance sought from medical practitioners in their journey to recovery.

We further want to reiterate against inclinations of stigmatization around the virus, the enemy remains Covid - 19 and nothing should distract us from mounting a collective fight against this pandemic.
