

# DEBT INCENTIVE SCHEME

## RESIDENTIAL, BUSINESSES & FARMERS

Strict enforcement of the credit control and debt collection bylaw will culminate in the termination of services to site and legal action will be instituted for all outstanding arrears from 1 June 2022

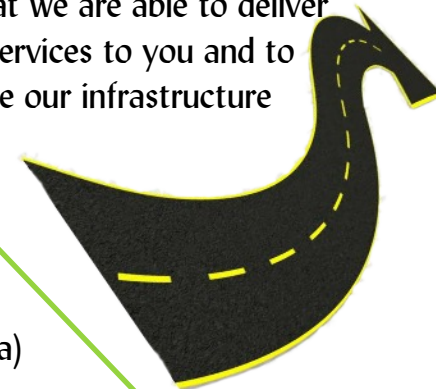

The Municipality has a Debt incentives scheme which is running from 1 March - 31 May 2022

On 1 June 2022 We will embark on a zero tolerance campaign against consumers who are in arrears

40% will be written off from customers that are on current accounts as at March 2022 and they will only pay 60% in full for two consecutive months

Paying your rates and service fees ensures that we are able to deliver quality services to you and to improve our infrastructure
